PHILIPS
sense and simplicity

Surge protector
Wall tap 1 outlet

SPP2300WC/17

Specifications

Outer Carton
- Gross weight: 1.2 lb
- Nett weight: .758 lb
- Tare weight: .442 lb
- Outer carton (L x W x H): 11 x 4.25 x 4.625 inch

Packaging dimensions
- Nett weight: .19 lb
- Tare weight: .08 lb
- Packaging dimensions (W x H x D): 3.625 x 5 x 2.625 inch
- Gross weight: .27 lb

Highlights

V3 Advanced Surge Technology
This new surge protection technology provides 27% greater surge protection capacity and better heat dissipation for safe, more reliable and longer lasting surge protection.

Protection indicator light
This LED alert lights up to indicate the surge protector is working properly.

audible alarm
Sounds when the device has low battery, battery/ wiring fault, AVR activates or battery backup activates. Alerts in different rhythms so you can take appropriate action.

20 dB EMI/RFI noise filtration
Built-in filtering technology ensures the best performance from your components. It guards against signal interference and loss of data. The higher the dB rating the better the noise reduction.

$10,000 equipment warranty
Protects your connected equipment for the life of the product.
